As Principal Asset Management Company Limited ("Management Company") being the Management Company of the Principal Daily Fixed Income Fund (PRINCIPAL DAILY FIX) ("Fund") has sent a letter of requesting the first resolution from unitholders for the purpose of dissolving the fund, According to Circular No. M_PDS 0017/2026 subject: To seek the resolution approving from unitholders of Principal Daily Fixed Income Fund (PRINCIPAL DAILY FIX) for the purpose of dissolving the fund, dated 13 May 2026. Unitholders eligible to vote were those listed in the unitholder register as of the record date (RD) on 7 May 2026, and the period for exercising the right to vote is between 15 May 2026 – 15 June 2026.

The Management Company has completed the vote counting on 19 June 2026. It was found that fewer than 25 unitholders participated in the voting, and the total number of units represented was less than one-third of the total outstanding units. As a result, the quorum requirement as prescribed by the relevant regulations was not met. **Therefore, the resolution request is deemed not to have been approved by the unitholders.** However, the Management Company is of the opinion that the proposed fund termination would be beneficial to the unitholders. Therefore, the Management Company intends to conduct a second round of voting to seek approval from the unitholders.

The Principal Daily Fixed Income Fund (PRINCIPAL DAILY FIX) is a fixed income fund with an investment policy to invest in or hold debt instruments issues by both government and private sectors that are of high quality and have strong ability to pay interest and principal, as well as deposits, or other securities or assets, or any other investments and means of generating return as permitted or approved by the SEC, as already informed. (For further details, please refer to the Fund's prospectus)

The Management Company intends **to seek a majority vote from the unitholders to dissolve the Fund** In this regard, unitholders can exercise their voting rights from 7 July 2026 – 7 August 2026, which is the last day of notification of voting.

Management Company's Opinion

Due to the reduction in the fund's size, as of 26 June 2026, the fund had a net asset value of THB 26.12 million. As a result, the fund's expenses have become proportionally higher relative to the fund size, causing the fund and unitholders to bear an unduly excessive cost burden. In addition, the management company may not be able to manage the fund with the highest level of efficiency. After careful consideration, the Management Company is of the opinion that the termination of the fund would be in the best interests of unitholders as a whole. By reinvesting the proceeds into other

mutual funds may provide better opportunities and potentially higher benefits and returns. This view has been reviewed and acknowledged by the Independent Oversight Entity (IOE), which confirmed that the management company has disclosed sufficient information to unitholders in accordance with the relevant criteria, thereby enabling unitholders to make decisions based on adequate information. For the reasons stated above, the termination of the mutual fund would be beneficial to unitholders in general and would enhance their investment opportunities and alternatives. Therefore, the management company seeks approval by a majority vote of the unitholders to proceed with the termination of the mutual fund.

Unitholders with voting rights and voting methods

In cast votes on this resolution, the Management Company will consider the list of unitholders who have the right to vote using their names and the unit database as shown in the unitholder register ending on 30 June 2026. The date of receipt of such letter by the return mail service provider or the fund sales or redemption supporter or the management company when it is sent directly to the management company will be considered, and if the management company does not receive notification of the resolution within the specified period, the management company will consider that you "did not vote".

In this case, if this fund receives a resolution "**passed**" (receiving not less than one-half of the total units held by unitholders who have submitted their votes and are entitled to vote) **The Management Company will notify you of the resolution result within 14 August 2026.
