2) Power of Attorney for passing the Resolution Approving for the purpose of dissolving the fund
3) Envelop of the business letter's return mail

As Principal Asset Management Company Limited ("Management Company") being the Management Company of the Principal Thai Equity Select Fund (PRINCIPAL TEQS) ("Fund") (formerly known as Principal Enhanced Long Term Equity Fund (PRINCIPAL ELTF) which is an LTF whose tax privileges ended on 31 December 2019, and which has subsequently been reclassified as a general equity mutual fund, effective from 22 December 2025). Currently, the Fund's investment policy is to invest in common shares of listed companies and equity instruments whose returns are linked to the returns of shares or groups of shares of listed companies, excluding derivatives, with an average investment over the accounting year of not less than 80% of the Fund's net asset value, as already informed. (For further details, please refer to the Fund's prospectus)

The Management Company intends **to seek a majority vote from the unitholders to dissolve the Fund** In this regard, unitholders can exercise their voting rights from 7 April – 8 May 2026, which is the last day of notification of voting.

Management Company's Opinion

Due to the reduction in the fund's size, as of 26 March 2026, the fund had a net asset value of THB 38.68 million, which is below THB 50 million. As a result, the fund's expenses have become proportionally higher relative to the fund size, causing the fund and unitholders to bear an unduly excessive cost burden. In addition, the management company may not be able to manage the fund with the highest level of efficiency. After careful consideration, the Management Company is of the opinion that the termination of the fund would be in the best interests of unitholders as a whole. By reinvesting the proceeds into other mutual funds may provide better opportunities and potentially higher benefits and returns. This view has been reviewed and acknowledged by the Independent Oversight Entity (IOE), which confirmed that the management company has disclosed sufficient information to unitholders in accordance with the relevant criteria, thereby enabling unitholders to make decisions based on adequate information. For the reasons stated above, the termination of the mutual fund would be beneficial to unitholders in general and would enhance their investment opportunities and alternatives. Therefore, the management company seeks approval by a majority vote of the unitholders to proceed with the termination of the mutual fund.

Unitholders with voting rights and voting methods

In cast votes on this resolution, the Management Company will consider the list of unitholders who have the right to vote using their names and the unit database as shown in the unitholder register ending on 30 March 2026. The Management Company has already informed of the record date (RD) for unitholders with voting rights on 23 March 2026 by disclosing it to unitholders via an announcement on the Management Company's website.

Therefore, in order to preserve unitholders' rights and benefits, Management Company would like to invite you to exercise your right by casting your vote in order to dissolve the fund by putting the mark "✓" in in the Letter Seeking for the Unitholders' Resolution. Unitholders can exercise their voting rights between **7 April – 8 May 2026** and please return the documents and attach copy of ID card and/or copy of certified Company's Certificate together with the Company's seal affixed thereon (in case of juristic person) and/or copy of any other important document duly signed as certified true copy and return such documents to Management Company within 8 May 2026 , which is the last day for receiving voting notifications. The date of receipt of such letter by the return mail service provider or the fund sales or redemption supporter or the management company when it is sent directly to the management company will be considered, and if the management company does not receive notification of the resolution within the specified period, the management company will consider that you "did not vote".

In this case, if this fund receives a resolution "**passed**" (receiving not less than one-half of the total number of investment units) **The Management Company will notify you of the resolution result on 14 May 2026. Thereafter, the Management Company will proceed to announce the suspension of subscription, redemption, and switching orders of the investment units and will carry out the fund dissolution process in accordance with the criteria specified in the prospectus. A further written notice will be provided in due course.**

Please be informed and consider exercising your rights within the due date. The Management Company would like to thank all unitholders who participate in this vote. Management Company will notify the result of the resolution to all unitholders accordingly.
